PETITION FOR FILING REISSUE APPLICATION BY OTHER THAN ALL THE INVENTORS

Assistant Commissioner for Patents Washington, D.C. 20231

COMPOSITIONS

Dear Sir:

Applicants, Andrew R. Clark, and Paul Wright, hereby petition the Commissioner to accept the filing of the above identified U.S. patent for reissue by other than all of the inventors.

Two declarations are attached hereto providing proof of the pertinent facts concerning the inability to reach a co-inventor to join in the present application for reissue of the above identified

The name and last known address of the co-inventor as known by the assignee, Fisons plc to this patent, that has not been located is as follows:

Julia Helena Ratcliffe, Flat 2, 16 Crescent Road Alverstoke Gosport Hampshire PO12 2DH England As explained in the support declarations of Andrew Agnew and John T. Polasek, all efforts to reach Julia Ratcliffe have been unsuccessful.

In the course of preparing papers related to this reissue application, the undersigned was provided with another possible address or individual by the name of Dr. J.H. Ratcliffe. This address is as follows:

15 Ipswich Road Woodbridge Suffolk IP12 4BS.

Because this person's phone number is unpublished, a letter was forwarded by Federal Express to the above address requesting Julia Ratcliffe to contact the undersigned law firm. We are informed that this Federal Express package was received by someone signing as "Ratcliffe". However, Dr. J.H. Ratcliffe has failed to contact the undersigned law firm as requested.

The invention disclosed in the above identified patent was developed under the authorization of Fisons plc by Andrew R. Clark, Paul Wright and Julia Helena Ratcliffe, all of whom were employed by Fisons plc to do so. Since Julia Ratcliffe was employed by Fisons plc, that is, paid compensation to develop the subject matter of the above identified patent, including the subject matter for which reissue claims are sought, this invention belongs to Fisons plc. Andrew Clark and Paul Wright will execute the reissue declaration.

Fisons plc is entitled to clear title of the invention claimed in the application for reissue of the above identified patent. Attached as Exhibit A to this petition is a copy of the assignment executed by Julia Helena Ratcliffe, Andrew Clark and Paul Wright assigning all rights to Fisons plc. Further, as set forth on the face of the above identified patent, Fisons plc is listed as the assignee.

Julia Ratcliffe is no longer in the employ of Fisons plc and efforts to obtain her cooperation in preparing the papers required for filing the present application for reissue have been unsuccessful.

The required fee (\$130.00) pursuant to Section 1.17 (h) is enclosed.

Respectfully submitted,

Edward W. Goldstein
